Army Musician Proficiency Assessment

EXAMPLE PACKET

9V VOCAL

NOT TO BE COPIED

**USING THIS PACKET OR A PREVIOUSLY
EXISTING QUICKLY PREPARED PACKET
WILL INVALIDATE THE AMPA**

Each piece should be contrasting in style. It is not required to tailor the quickly prepared selections to the vocal range of the auditionee. The auditionee should receive a lyric and/or lead sheet for preparation and reference not more than 24hrs prior to the audition date. Lead sheets will be written in staff notation and must include, at minimum, a melody and a chord progression. High quality backing tracks are widely available on various digital platforms such as iTunes, YouTube, Karaoke-version.com and others. Many of these resources will offer the option to alter the key of the performance piece. The auditionee may alter the key for any quickly prepared selection to fit their vocal range. Backing tracks will be used for four (4) of the selections and the auditionee will perform one (1) identified selection a cappella. Choose performance pieces that could reasonably be encountered in an MPT, Concert Band or solo vocal setting.

Example Style: Latin

It is important to note the example below represents one (1) type of Latin style. There are numerous subgenres of Latin music (e.g. Latin jazz, Reggaeton, Salsa, Merengue, Bolero). It is not necessary to present the candidate with a Latin piece in a different language. This style offers the candidate opportunity to demonstrate his/her ability to comfortably and accurately perform integral rhythmic patterns within harmonies and melodies of the style.

Vivir Mi Vida

Voy a reír, voy a bailar
vivir mi vida la la la la
voy a reír, voy a gozar
vivir mi vida la la la la
[x2]

A veces llega la lluvia
para limpiar las heridas
a veces solo una gota
puede vencer la sequía

Y para que llorar, pa' qué
si duele una pena, se
olvida
y para qué sufrir, pa' qué
si así es la vida, hay que
vivirla la la le

Voy a reír, voy a bailar
vivir mi vida la la la la
voy a reír, voy a gozar
vivir mi vida la la la la

Voy a vivir el momento
para entender el destino
voy a escuchar el silencio
para encontrar el camino

Y para que llorar, pa' qué
si duele una pena, se
olvida
y para qué sufrir, pa' qué
si duele una pena, se
olvida la la le

Voy a reír, voy a bailar
vivir mi vida la la la la
voy a reír, voy a gozar
vivir mi vida la la la la

Voy a reír, voy a bailar
pa' qué llorar, pa' que
sufrir
empieza a soñar, a reír
voy a reír, voy a bailar
siente y baila y goza
que la vida es una sola
voy a reír, voy a bailar
vive, sigue
siempre pa'lante
no mires pa' tras
mi gente
la vida es una

Voy a reír, voy a bailar
vivir mi vida la la la la
voy a reír, voy a gozar
vivir mi vida la la la la

The candidate may transpose the key for any quickly prepared selection. Lead and/or lyric sheets are provided as references for preparation.

Example Style: a cappella

Wave

Antonio Carlos Jobim, Frank Sinatra

So close your eyes
For that's a lovely way to be
Aware of things your heart alone was meant to see
The fundamental loneliness goes whenever two can dream a dream
Together

You can't deny don't try to fight the rising sea
Don't fight the moon, the stars above and don't fight me
The fundamental loneliness goes whenever two can dream a dream
Together

When I saw you first the time was half past three
When your eyes met mine it was eternity

By now we know the wave is on it's way to be
Just catch that wave don't be afraid of loving me
The fundamental loneliness goes whenever two can dream a dream
Together

When I saw you first the time was half past three
When your eyes met mine it was eternity

By now we know the wave is on it's way to be
Just catch that wave don't be afraid of loving me
The fundamental loneliness goes whenever two can dream a dream
Together

You're Gonna Miss This

Trace Adkins

She was staring out the window of
that SUV
Complaining, saying "I can't wait to
turn eighteen"
She said "I'll make my own money,
and I'll make my own rules"
Momma put the car in park out there
in front of the school
She kissed her head and said "I was
just like you"

You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't
gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this

Before she knows it she's a brand
new bride
In her one-bedroom apartment, and
her daddy stops by
He tells her "It's a nice place"
She says "It'll do for now"
Starts talking about babies and
buying a house
Daddy shakes his head and says
"Baby, just slowdown"

You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't
gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this

Five years later there's a plumber
workin' on the water heater
Dog's barkin', phone's ringin'
One kid's cryin', one kid's screamin'
She keeps apologizin'
He says "They don't bother me
I've got two babies of my own
One's thirty-six, one's twenty-three
Huh, it's hard to believe, but

You're gonna miss this
You're gonna want this back
You're gonna wish these days hadn't
gone by so fast
These are some good times
So take a good look around
You may not know it now
But you're gonna miss this

You're gonna miss this
Yeah
You're gonna miss this

Nothing Even Matters

Laurn Hill

Now the skies could fall
Not even if my boss should call
The world it seems so very small
'Cause nothin' even matters, at all

See nothin' even matters
See nothin' even matters at all
Nothin' even matters
Nothin' even matters at all

See, I don't need no alcohol
Your love makes me feel ten feet tall
Without it, I'd go through withdrawal
'Cause nothin' even matters at all

Nothin' even matters
Nothin' even matters at all
Nothin' even matters
Nothin' even matters at all

These buildings could drift out to sea
Some natural catastrophe
Still there's no place I'd rather be
'Cause nothin' even matters to me

See nothin' even matters
See nothin' even matters to me
Nothin' even matters
Nothin' even matters to me

You're part of my identity
I sometimes have the tendency
To look at you religiously, baby
'Cause nothin' even matters to me

Nothin' even matters
Nothin' even matters to me
Said I don't, my baby, baby

Now you won't find me at no store
I have no time for manicures
With you it's never either or
'Cause nothin' even matters no more

See nothin', it don't matters
See nothin' even matters no more
Nothin' even matters
Nothin' even matters no more

Now my team could score
And make it to the final four
Just repossess my 4 x 4
'Cause nothin' even matters no more

Nothin' even matters
Nothin' even matters no more
Nothin' even matters, oh oh oh

To me, to me, to me, to me, to me
To me, to me, to me, to me, to me

Nothing even matters
Nothing even matters no more
Nothing even matters
Nothing even matters

Nothing but you
Nothing but you
Nothing but you
