The following is a series of resources that the instructors at the Army School of Music uses to teach their students. It is recommended that each unit stock their music libraries with the same set of resources to facilitate the technical growth of the Soldier-Musician both in an individual setting, and in an educational setting should they pursue lessons with the instructors at the school. Soldiers are encouraged to contact the instructors at the school regarding the use of these resources and are further encouraged to send in video/audio of themselves practicing out of these resources to get feedback and assistance in perfecting their craft.
